

Words for Success:

Business Debut: “Hi _____, I am just double checking to be sure you received the invitation to my Business Debut and see if you will be attending by yourself or bringing someone along with you? When I have 15 people in attendance, I win a fabulous Pink Ice Ring! Can I count on you at _____(time) on the _____(date)?”

If Yes....”Great, see you at _____(time) on the _____(date). Thank you so much for supporting me at my debut!”

If No....” I understand. Another great way you can help me is to allow me to borrow your face. I have been challenged to put MK on 30 faces in my first 30 days to complete my challenge. What would be better for you? A daytime, an evening or the weekend?”
